

Čtenářská gramotnost - metodický materiál č. 1

Název: Roční období, počasí (Seasons, Weather)

Předmět: Anglický jazyk

Využití pro ročník: 2. ročník učebních oborů

Časový odhad: 15 – 20 minut

Anotace:

Cílem hodiny je doplnění slovní zásoby k tématu počasí (Weather, Seasons). Téma seznamuje žáky s typickými jevy a aktivitami v jednotlivých ročních obdobích.

Použité metody: práce ve dvojicích či skupinová práce (malé skupiny 3 – 4 žáci)

Pomůcky: pracovní list, mobilní telefon s instalovaným slovníkem, zvýrazňovač

Popis postupu využití:

Každý žák má svůj pracovní list. Žáci ve dvojicích či malých skupinách ke každé větě v levém sloupci zapisují roční období, které je pro tento jev nebo aktivitu typické. Současně každý žák ve svém pracovním listě zvýrazňovačem označuje slova, která nezná. Neznámé výrazy vyhledává ve slovníku.
